PROGRAMME
tonalestate
2016

Ora che invade le oscure menti
Più aspri pietà del sangue e della terra.
Ora che ci misura ad ogni palpito
Il silenzio di tante ingiuste morti.
Ora si svegli l'angelo del povero.
Gentilezza superstita dell'anima...
Con gesto inestinguibile dei secoli
Misteriosa capo del suo vecchio popolo
In mezzo alle ombre...
G. Ungaretti: L'angelo del povero
(Il Dolore, I ricordi, 1942-1946)
